Mrs. Lizars Smith,

11 Alexandra Apartments,
Toronto.

Dear Mrs. Smith:

I have your letter telling me that Miss Mitchell has returned to Toronto and is ready to undertake work that might be given her by members of our staff. I will notify the various departments in case they should have any work they could put in her way. I am sorry I cannot promise her anything definite otherwise.

With kind regards, I am,

Yours sincerely,

President.
